The Pastor's View

Dr. Marc Reeves

Dear Church Family,

July was quite a month for West View! We began with our God and Country service and it just kept getting better. It seems that we really came together this year for VBS and it truly blessed my heart to seeing the church family working in one accord to minister to the children and their families. We also had a team go to Honduras on mission. They were a pleasure to travel and work with. We know that God is working through the church to encourage the work there. Each time I arrive back into the States, I have to admit no matter how messed up we may think things are, God has blessed us so much. Continue prayers that our nation will turn back to God and honor Him that we might continue to be missionaries to the world and a shining light here for His Glory.

August will be another busy month as we prepare for the Back To School Supplies Event on August 12. Please pray and sign up to help. The next day, August 13 we will be having our Back To School Bash for our children. I know that some may wonder what God is up to sometimes, it seems that we are taking two steps forward and one step back. I believe God is keeping us on the path that brings Him the glory. That is what our lives and His church are to be about, giving Him the Glory.

We have two teams that are working now and need our prayers. The first is the Food Pantry Future Plans Team. They have been tasked with determining what we need for the pantry facility-wise. Please pray for each of these team members: Cathy Hodge, Brett Bradford, Randy Cooper, DeWayne Monroe, and Barry Hestand as they work and pray also. The second team is our Youth Pastor Search Team. Pray for guidance, courage, wisdom, and patience for Diane Rogers, John Lane, Bryan Hooten, Mike Rowland, and Brad Baine. Let's give them the time and support needed as they carry out the task given them by the church.

Finally, let me say that it is truly a pleasure to serve the Lord along side each of you and know that you are loved, your life matters, and the mission and ministry that you are engaged in matters. I pray God will bless you and keep you today and in the future.

It's getting time to think about Christmas Dinner Theater. This year, I am hoping to do a large production that will take a lot of help. There is a sign-up sheet in the Grand Hall. You can sign up for choir, parts, or stage help (lights and sound). If you have any questions, please let me know.

Men's Ministry

Mark Rhodes

The July Men's Breakfast was held July 1st with 13 in attendance and I gave a short devotional entitled "Are you a Lukewarm Christian?" We will not have a breakfast in August but encourage all men to volunteer for our Back to School Extravaganza on August 12th.

As always, we are looking for men who would like to share their testimony, give a short devotional, or tell us about an organization they are involved with. If you are interested contact Mark Rhodes at 870-335-5750.

Bro Marc's Wednesday night Men's bible study is averaging 12 in attendance. This group meets at 5PM every Wednesday at Hardee's and if you are looking for a deeper meaning and understanding of the scripture then you will want to get involved with this expository bible study. I encourage you to make plans to and invite a friend.

The Sunday night Men's class is averaging 7 and we are finishing up a study entitled "Mountain Men". If you are not involved in the men's program, I encourage you, both young and old, to get involved with this ministry as we unite around the love and fellowship of Jesus Christ.

Women's Ministry

Kathy Mitchell

It's back to school time!! This can be an exciting time for moms as they prepare their children for going back to school. It can also be a stressful time as they buy items for their kids. Our mission team is sponsoring a back to school event to provide school supplies for families. That event is Saturday, August 12th. Last year we saw so many women and children as they came to get stocked up for school. That's when we realized that we missed an opportunity to reach out to the mothers of the children. So our women's ministry is going to meet on Monday, August 7th, at 6:00 p.m. in the gathering place. We will be stuffing bags with toiletry items such as shampoo, conditioner, deodorant, toothpaste, toothbrushes, hand lotion and sanitizer [all in travel sizes.]. Please bring your supplies that night and we will fill the bags and also add a tract on salvation and a card of details about our church. This is a wonderful way to reach out to the ladies that come. We hope to provide enough bags for 50 to 75 women. God bless you as you prepare for this night.

Students

Jason Lincoln

The month of June has been an eventful month in the youth ministry. We attended Super Summer at Ouachita Baptist University. During the week we had 4 students who responded to a call to the ministry. Over all that week there were 183 salvations and 240 calls to ministry.

Sunday July 23rd the youth took part in the 8-Mile Mission Project where they went and distributed water bottles and prayed for people along the 8-Mile trail that runs behind the church property.

Celebrate Recovery

Francis Shelton

Celebrate Recovery Wednesday evenings at 6 pm this is a meeting for those who have Hurts, Habits, and Hang-Ups. We study and follow the 8 Principles based on the beatitudes, turn our hearts/lives to Jesus and allow Him to lead us "One Day at a time". Finding ways to put our Hearts and Lives together and then let Jesus/Holy Spirit work through us for God's purpose.

If you know someone or you have something in your life that's holding you back, with your walk with the Lord. Come and we'll work, pray, until you find what special gift God's given you to do his work here. Attendance for June CR averaged 39

His Heart Our Hands Food Pantry

Cathy Hodge

The food pantry met the needs of 186 families in June. We invite you to join us on Thursdays from 10-2 to see our ministry in action. We would like to thank West View for its continued support through monetary and food donations, and for their volunteerism. For the month of May, we would like to ask for cereal bars and mac & cheese.
